

## Theater Tech Prep Summit

**Date:** Wednesday, March 1, 2017 **Time:** noon to 3:00PM **Location:** Building 6, Room 142

Attendees: Jess Moore (MVTPC), Nina Allen (MVTPC), Terry Stump (Sinclair-THE Dept), John Findley (Stivers), Mike Cordonnier (CHS), Erin Schultz (Butler Tech)

### 1. Miami Valley Tech Prep Consortium update

- a. **2016-17 enrollment** – Jess shared a portion of the PowerPoint presented at the spring 2017 Tech Prep Coordinator Meeting held on Thursday, March 9 from 9AM-noon in 12-116. The number of students enrolled in with the MVTPC during fall 2016 was 10,698 (as of early December 2016). Also during the fall 2016 term, there were 3,261 former Tech Prep students enrolled at Sinclair. The slides included a breakdown of MVTPC demographics (number of students by pathway/student and percentages depicting gender and ethnicity), as well as student matriculation data from 2010-2016, degrees/certificates earned by Tech Prep students by academic division, Sinclair Tech Prep scholarships awarded over the past 11 years, and finally, total scholarships and grants disbursed to Tech Prep students enrolled at Sinclair from 2005-2016.
- b. **Multiple Measures (alternative data sources for placement)** – Jess shared that this initiative had an update in January 2017. MVTPC Director, Wendell Meyers shared the update via email to each partner school/district's Tech Prep coordinators. The new policy can be found on the MVTPC web site here: <http://www.mvtechprep.org/index.cfm/resources/college-readiness>.
- c. **End of year credit capture** – At the time of the meeting, this had no relevance to the attendees, as THE proficiency/portfolio credit is documented and processed on a case-by-case basis, using a 3-part form created by Jess Moore and completed by Terry Stump and any Tech Theater Tech Prep students that wish to test out. During the meeting it was discussed that if any students are interested in pursuing credit for THE 1106/07 OR THE 1194, Terry will administer the exam/review the portfolio, and award the grade. Per the MVTPC credit capture policy, students may only earn credit for A's, B's, and C's at the end of their senior year, the grade will be recorded as letter grade + pound sign (ex. A#) on a Sinclair transcript, and it *may* be transferable, but that is ultimately up to the receiving institution.

### 2. Terry Stump, Tech Prep Faculty Liaison, THE

- a. **Portfolio/proficiency credit options for THE (THE 1106/1107 and/or THE 1194)** – Terry Stump shared that any Tech Prep student who wished to test out of THE 1106/07 and/or THE 1194 should notify their CTE teacher and Terry will work with the teacher to arrange for the student to be tested and/or portfolio reviewed for a letter grade that will go on a Sinclair transcript as proficiency credit.
- b. **THE programs of study at Sinclair** – Terry Stump shared a Sinclair Theater & Dance handout that detailed the current curriculum required to complete the Theatre Performance Major (62 semester hours) and the Theatre Technology Major (63 semester hours). Both degree programs are designed to be University Transfer degrees, and if students have questions or require more information, they should contact THE/DAN Department Chair, Gina Neuerer at [gina.neuerer@sinclair.edu](mailto:gina.neuerer@sinclair.edu).
- c. **THE department updates** – Terry shared his 2016-17 Sinclair Theater Season 2016-17 brochure with the group. He regularly notifies the Theater Tech CTE teachers of the Sinclair theater productions throughout the year.

### 3. ODE and ODHE updates

- a. **CTE-26 process for FY18** – CTE programs were required to submit CTE-26 applications this year for state funding. The deadline for application via the ODE was March 1, 2017. This process is completed by school administrators with teacher input.
- b. **Performing Arts CTAG** – This was announced on the ODHE web site on July 15, 2016. Detailed about the Performing Arts CTAG can be found here: <https://www.ohiohighered.org/transfer/ct2/ctags>  
This is the final year that proficiency/portfolio review will be an option via Sinclair/Tech Prep for THE 1106/06 - Stagecraft, as the course has been identified as a CTAG equivalent. When a course becomes a CTAG equivalent via Sinclair, our CTE partner programs must earn CTAG approval from ODHE and the student is eligible to earn

college credit provided s/he earns a C or better and a score of 66 on the end of course exam for ODE Course 340250 per the ODHE web site

[https://www.ohiohighered.org/sites/ohiohighered.org/files/uploads/transfer/CT2/List%20of%20Credentials%20for%20Credit\\_0.pdf](https://www.ohiohighered.org/sites/ohiohighered.org/files/uploads/transfer/CT2/List%20of%20Credentials%20for%20Credit_0.pdf):

<b>Performing Arts</b>	The sending institution must have (CT) <sup>2</sup> approval, and students must pass the ODE course aligned to each CTAN with a "C" or better. Students must access credit within 3 years of program/course completion. Additional requirements listed below:
<b>CTPAT001 Stagecraft</b>	Student must earn a score of 66 on the end of course exam for <b>ODE Course 340250</b>

4. **Junior Career Exploration Days** – Jess will reach out to teachers next fall to inquire about setting up Sinclair campus visits/tours. Historically, the THE program teachers have worked directly with Terry Stump on visiting the THE department for set/department tours. During fall 2016 John Findley from Stivers did bring a group for a visit (when Sinclair had staged *Dracula*), and Jess was able to participate and share information about the Tech Prep scholarship/other benefits afforded to Tech Prep students. Next year it would be great to have all partner schools visit.
5. **Nina Allen, Data Technician (MVTPC), Sinclair Student Services outreach initiatives and incentives**
  - a. **Onsite advising** – From the previous year, this initiative mostly changed from onsite registration to onsite advising. Sinclair student services offices will work with partner schools that have students interested in attending Sinclair in the fall, though it will *mostly* involve intense advising with “next steps” so that students have more responsibility in their future (i.e., knowing what all it takes to register, pay, withdraw, etc.)
  - b. **Buy One, Get One (BOGO) summer courses at Sinclair** – Last summer 284 students (mostly 2015 grads) registered, and of those around 50 with drew leaving a total of 234 students participating. Almost 80% completed and 74% continued on to take classes in the fall. We will be looking at spring 2017 numbers after semester ends. This year the BOGO offer is for both 2017 Tech Prep grads and 2016 Tech Prep grads. Details about the BOGO offer may be found here: <http://www.mvtechprep.org/index.cfm/gallery/bogo-2017>
  - c. **Tech Prep Express Registration** – Two dates are scheduled for Express Registration for spring 2017. Details can be found here: <http://www.mvtechprep.org/index.cfm/gallery/express-registration-days-2017>
6. **College Transition**
  - a. **Sinclair application** – Any students who completed the Sinclair Tech Prep application fall 2015 and plan to attend Sinclair summer of 2017 or fall of 2017 must reapply to Sinclair by following this link: <https://apply.sinclair.edu/standard.cfm>. An explanation for the reapplication process may be found at [www.mvtechprep.org](http://www.mvtechprep.org) by clicking on the “2017 Re-application Notice” link on the right-hand side of the page.
  - b. **New Sinclair/Tech Prep tri-fold** – The MVTPC office worked closely with the Sinclair Marketing Department to create a double-sided tri-fold that provides pertinent information to Tech Prep students regarding: documenting their CTE program/program teacher, Sinclair Tartan ID numbers, courses for which they may earn college credit, links to other scholarship opportunities, a complete list of degree and certificate programs offered at Sinclair, etc. These were delivered to partner schools in January and February for teachers to share with their students. They were distributed a little later than the Tech Prep office had intended. Some edits/revisions will most likely be made for the 2017-18 tri-fold, and it should be ready for CTE teachers to disseminate to students in the fall of 2017.
  - c. **Getting Ready for College** – The 2017 Getting Ready for College (GRFC) event took place on Thursday, February 16<sup>th</sup> from 5:30PM-7:30PM, and attendance this year was at an all-time high with an estimated 600 students/family members in attendance. Next year’s event is scheduled for Thursday, February 15, 2018.
  - d. **Scholarship packets** – Partner schools will receive their scholarship packets by dates requested to the MVTPC office. This typically happens in late April and continues through May.
  - e. **Ordering Sinclair transcripts** – Students may order official Sinclair transcripts by following this link: <http://www.sinclair.edu/services/basics/registration-and-student-records/student-records/transcripts>.
  - f. **University Transfer opportunities** – Students who matriculate to Sinclair have many opportunities to continue on to complete bachelor’s degrees at four-year colleges and universities that have articulation/transfer agreements with Sinclair. Detailed information about these opportunities may be found here: <https://www.sinclair.edu/about/offices/provost/articulation-transfer>. For those students particularly interested

in completing at Wright State or UD, there are additional web sites available detailing programs of study and special incentives for transfer students. The UD Sinclair Academy link may be found here:

<https://www.udayton.edu/academy> and the Wright State Sinclair Double Degree link may be found here:

<http://www.wright.edu/sinclair-double-degree>.

**7. Tech Prep Scholarship**

- a. **Change in policy announced summer 2016** – Just a reminder that Sinclair Tech Prep scholarship recipients may use their scholarship dollars to pursue *any* degree or certificate program at Sinclair. Students may take classes at any Sinclair location or online and use their scholarship award money. Details about this summer 2016 policy change may be found here: <http://www.mvtechprep.org/index.cfm/resources/scholarship-update>

8. **Fall Tech Prep application process** – At the time of the Summit and at the time of publishing Summit notes there are no definite changes to report, but stay tuned for any notifications from the Tech Prep office in early fall (August or September) regarding the Tech Prep student application process.

**9. End of the year info capture processes**

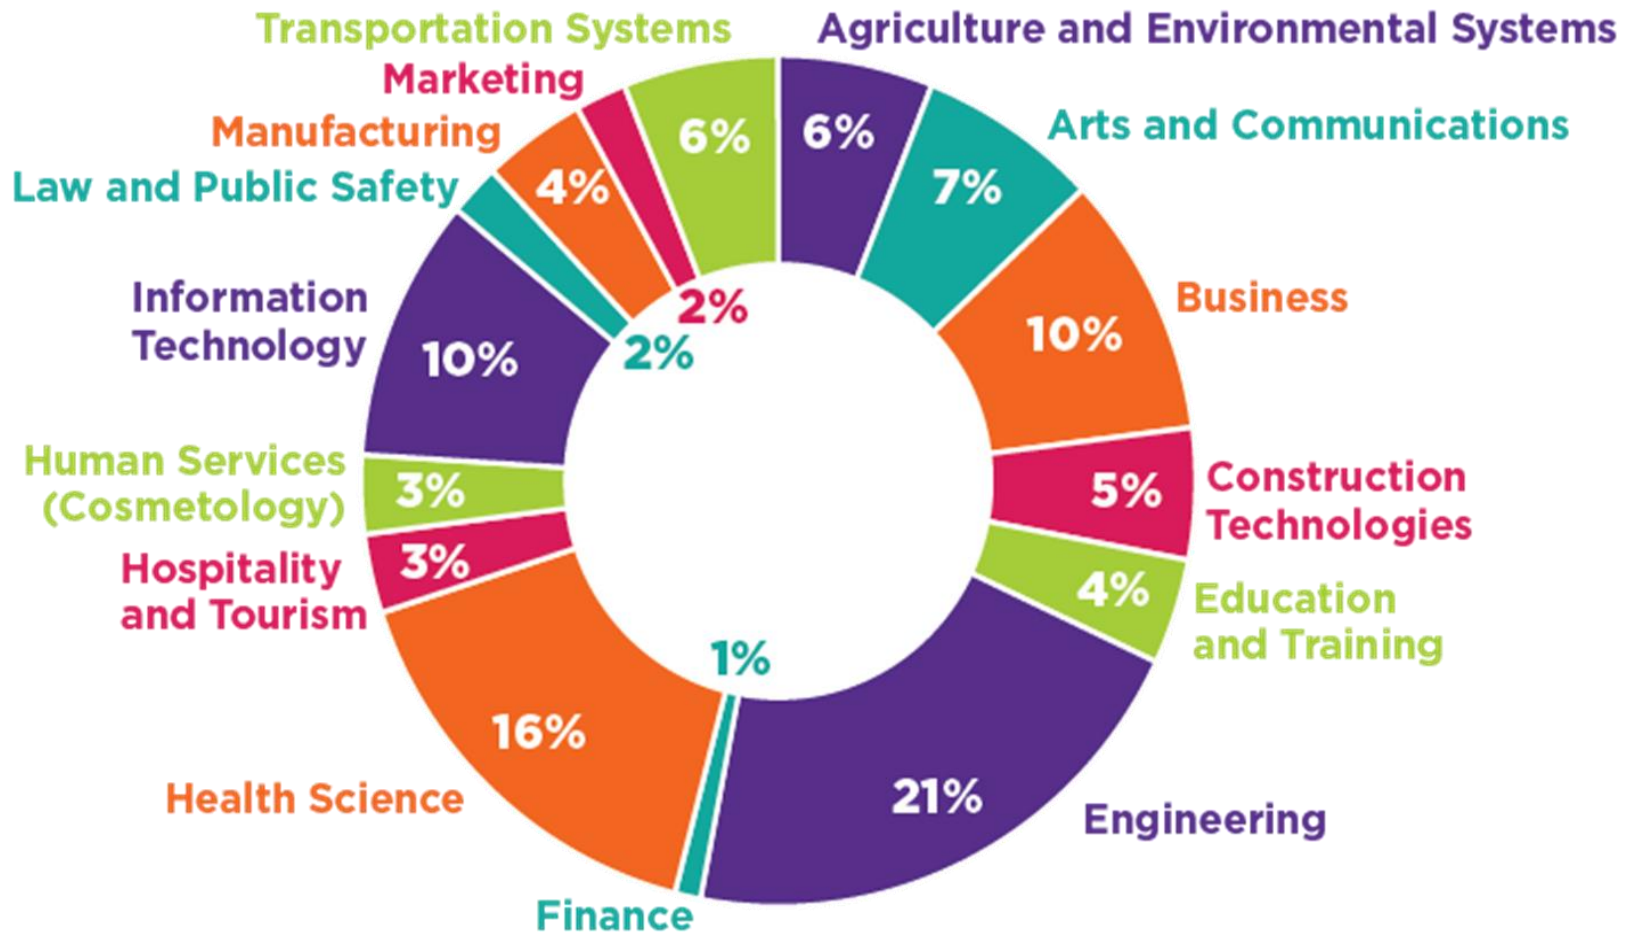

- a. **Non-Employee Account Request** – Any teachers planning to offer eLearn proficiency options for their students must contact Tim Bryant [timothy.bryant@sinclair.edu](mailto:timothy.bryant@sinclair.edu)/937-512-2406 in the Tech Prep office for a non-employee network account form. If a teacher has already completed the form through the Tech Prep office, Tim is able to renew an account from one year to the next without the teacher completing the form again
- b. **Teacher demographic information updated for 2017-2018** – If teachers anticipate any changes to their contact information (email, telephone #, job title) for the next school year, please let Jess Moore at [jess.moore@sinclair.edu](mailto:jess.moore@sinclair.edu)/937-512-5141 know so she can notify the Tech Prep data team of any updates/changes.
