8. College Transition

- a. **Sinclair application** – Any students who completed the Sinclair Tech Prep application fall 2016 and plan to attend Sinclair summer of 2018 or fall of 2018 may need to reapply to Sinclair by following this link: <https://apply.sinclair.edu/standard.cfm>. Teachers should reach out to Josiah Wahlrab for information related to determining if their students need to reapply. This year should be the last year that students need to take action in reactivating their Sinclair accounts.
- b. **Tech Prep Checklist**—this replaced the prior years' tri-folds.
- c. **Getting Ready for College** – The 2018 Getting Ready for College (GRFC) event took place on Thursday, February 15th from 5:30PM-7:30PM, and attendance this year was at an all-time high with an estimated 600 students/family members in attendance. Next year's event is scheduled for Thursday, February 15, 2018.
- d. **Scholarship packets** – Partner schools will receive their scholarship packets by dates requested to the MVTPC office. This typically happens in late April and continues through May. Need MM3 and CTE data to complete.
- e. **Ordering Sinclair transcripts** – Students may order official Sinclair transcripts by following this link: <http://www.sinclair.edu/services/basics/registration-and-student-records/student-records/transcripts>.
- f. **University Transfer opportunities** – Students who matriculate to Sinclair have many opportunities to continue on to complete bachelor's degrees at four-year colleges and universities that have articulation/transfer agreements with Sinclair. Detailed information about these opportunities may be found here: <https://www.sinclair.edu/about/offices/provost/articulation-transfer>. For those students particularly interested in completing at Wright State or UD, there are additional web sites available detailing programs of study and special incentives for transfer students. The UD Sinclair Academy link may be found here: <https://www.udayton.edu/academy> and the Wright State Sinclair Double Degree link may be found here: <http://www.wright.edu/sinclair-double-degree>.
- g. **Tech Prep Scholarship**- Just a reminder that Sinclair Tech Prep scholarship recipients may use their scholarship dollars to pursue *any* degree or certificate program at Sinclair. Students may take classes at any Sinclair location or online and use their scholarship award money.

Proficiency Credit

An assessment process where a student earns letter grades through a test or series of tests and/or assignments administered in the classroom by Sinclair faculty or via online courses facilitated by CTE instructors. **Project Lead the Way (PLTW)** is another type of proficiency credit awarded to students in approved PLTW programs who earn an A or B in their coursework and a 6 or higher stanine score on the End-of-Course Assessment. **Please note: Only As, Bs, and Cs are transcribed with the student's authorization upon high school graduation. These credits impact the student's Sinclair GPA.**

CTAG Credit

In 2005, with the passage of House Bill 66, Ohio expanded articulation and transfer efforts by providing students in career-technical institutions with a guarantee of credit transfer from high school to college in approved programs.

In order for students to receive CTAG credit the high school program must undergo an approval process.
