

Theater Tech Prep Summit

Date: Thursday, March 22, 2018

Time: 12PM-3PM

Location: Building 11, Room 443

MIAMI VALLEY
TECHPREP
CONSORTIUM

Ohio College **Tech Prep**
Building Quality Career Pathways
WEST REGION

Attendees: Terry Stump, SCC Theater, Ara Beale, Stivers, Mike Cordonnier, Centerville, Lindsay Pitstick, MVTPC, Jess Moore, MVTPC, Tim Bryant, MVTPC, Josiah Wahlrab, MVTPC

- a. Welcome/Introductions - Everyone went around the table and introduced themselves and Lindsay took the lead in starting the meeting.
- b. MVTPC Update
 - 1) What is Tech Prep?
 - 2) Benefits of Tech Prep include helping students determine what major or career field they wish to pursue through exposure to different options
 - 3) Review of TP scholarships: Just a reminder that Sinclair Tech Prep scholarship recipients may use their scholarship dollars to pursue any degree or certificate program at Sinclair. Students may take classes at any Sinclair location or online and use their scholarship award money.
 - 4) BOGO – '17 grads and '18 grads
 - 5) This year the BOGO offer is for both 2018 Tech Prep grads and 2017 Tech Prep grads. Details about the BOGO offer may be found here: <http://www.mvtechprep.org/index.cfm/gallery/bogo-2018>
 - 6) Roles and relationships: Review PPT slide – not a comprehensive list.
- c. Terry Stump, Tech Prep Faculty Liaison, THE
 - 1) Distributed a packet of information on portfolio/proficiency credit options for THE 1194 (the only Tech Prep credit option for SCC)—Terry will come to observe your students to decide if credit will be awarded, usually in early May. **Students will need to know their Tartan ID number for proficiency credit purposes when Terry visits—this information can be found through the Portal (See Josiah Wahlrab).
 - 2) Sinclair does not currently accept the Stagecraft CTAG because department feels state test does not align with SCC curriculum—this is still up for discussion and could change.
 - 3) Terry likes to be invited to high school performances (dress rehearsals, tech run-throughs, etc.) to observe students.
- d. **Credit capture:**
 - 1) Tim Bryant explained that other pathways and subjects utilize e-learn for their proficiency credit courses—Theater does not at this time, but that could always change. Tim shared the proficiency credit for portfolio review form for THE 1194 credit. Terry will have these forms. Tech Prep has June 1st deadline for grades. Students must check, sign and date form if they want their credit posted.
 - 2) Josiah Wahlrab spoke about the TP Caspio portal (Marion Delatore – CHS, and Dave Andrews – Stivers, should have access). For instructions regarding eLearn credit capture, a demo YouTube video will be posted to the TP web site soon. Portal is a resource tool utilized by coordinators and available to instructors as well. Students need to be registered as Tech Prep, and this will be reflected in the portal.
 - i. He also spoke briefly about MM3—coordinators should be collecting this data, allows students who matriculate to Sinclair and meet specific guidelines to 'leap frog' courses. Details related to MM3 can be found here: <http://www.mvtechprep.org/index.cfm/resources/college-readiness>.
- e. **Showcase** - teams of 2-5 students. Ara bringing several teams, Centerville does not participate.
- f. **Career Days:** Terry typically brings students to see an SCC show, then does a tour and provides lunch (on TP). Ara talked about bringing both juniors and seniors—potentially on the same day as Mike brings his students. TP is open to exploring other career day visit options—whatever suits our partners' needs.
- g. **College Transition**

- 1) **University Transfer opportunities:** Students who matriculate to Sinclair have many opportunities to continue on to complete bachelor's degrees at four-year colleges and universities that have articulation/transfer agreements with Sinclair. Detailed information about these opportunities may be found here: <https://www.sinclair.edu/about/offices/provost/articulation-transfer>. For those students particularly interested in completing at Wright State or UD, there are additional web sites available detailing programs of study and special incentives for transfer students. The UD Sinclair Academy link may be found here: <https://www.udayton.edu/academy> and the Wright State Sinclair Double Degree link may be found here: <http://www.wright.edu/sinclair-double-degree>.
 - 2) **Sinclair application:** Any students who completed the Sinclair Tech Prep application fall 2016 and plan to attend Sinclair summer of 2018 or fall of 2018 may need to reapply to Sinclair by following this link: <https://apply.sinclair.edu/standard.cfm>. Teachers should reach out to Josiah Wahrab for information related to determining if their students need to reapply. This year should be the last year that students need to take action in reactivating their Sinclair accounts.
 - i. **Tech Prep Checklist:** this replaced the prior years' tri-folds. They were distributed to schools earlier this semester.
 - ii. **Scholarship packets:** Partner schools will receive their scholarship packets by dates requested to the MVTPC office. This typically happens in late April and continues through May. Need MM3 and CTE data to complete. Jammie Schneider will be gathering graduation information to identify when schools need packets.
 - iii. **Ordering Sinclair transcripts:** Students may order official Sinclair transcripts by following this link:
<http://www.sinclair.edu/services/basics/registration-and-student-records/student-records/transcripts>.
- h. Good of the order
- 1) Discussed Stagecraft CTAG—both Stivers and Centerville believe they are in process for approval, but not official via website. Jess explained the approval process—something Building Administrator should know and facilitate. Will require signature of instructor. Jess happy to facilitate connection to Jared Shenk, CTAG Consultant for the state.
 - i. Once approved, in order for a student to receive CTAG credit, must score accordingly and then complete verification form
(<https://www.ohiohighered.org/sites/ohiohighered.org/files/uploads/transfer/CT2/Verification%20Form-Performing%20Arts-Front.pdf>) for each institution (Part I completed by student, Part II completed by instructor, and Part III only accessible by administrator) and submit to that registrar.
 - 2) Additional Resources Requested:
 - i. Tech Prep Staff and Contact List: <http://mvtechprep.org/index.cfm/resources/>

Proficiency Credit

An assessment process where a student earns letter grades through a test or series of tests and/or assignments administered in the classroom by Sinclair faculty or via online courses facilitated by CTE instructors. **Please note: Only As, Bs, and Cs are transcribed with the student's authorization upon high school graduation. These credits impact the student's Sinclair GPA.**

Course		Course Name	Semester Hours
Proficiency Credit Granted via Portfolio Review			
THE	1194	Applied Theatre Technology I	1

CTAG Credit

In 2005, with the passage of House Bill 66, Ohio expanded articulation and transfer efforts by providing students in career-technical institutions with a guarantee of credit transfer from high school to college in approved programs.

In order for students to receive CTAG credit the high school program must undergo an approval process.
