

Thank you for your participation! The Miami Valley Tech Prep Consortium at Sinclair has created these 360-degree videos to help explore some of what Sinclair has to offer. You can choose from a Student Experience video at Sinclair, the HVAC Lab, and/or Health Sciences Program Labs. Watch all three if you'd like! Please find reflection questions below each video description to guide your experience.

All 360 videos are accessible via the following links or QR Codes for use on a computer, tablet or cell phone. To get the full 360 degree experience:

- With a phone, you can look around by physically moving the device.
- With a computer or tablet, you can look around by clicking and dragging the video.

Sinclair Student Experience <https://tinyurl.com/scc-studentexperience>

Audience: Any student curious about Sinclair • *Length:* 4 minutes 39 seconds

From the Welcome Center to the Tartan Marketplace and the Weight Room, viewers will take a virtual walk through campus centers to become familiar with student life and resources.

Student Experience-Reflection questions

- Where do you buy textbooks?
- Where can you complete any step of the enrollment process (and learn about your Tech Prep benefits!)?
- Name all the Sinclair campus locations?

Sinclair HVAC Labs <https://tinyurl.com/scc-hvac>

Audience: Anyone, but highly recommended for Construction & Engineering • *Length:* 8 min 52 sec

Sinclair's HVAC Program offers Heating, Ventilation and AC training in Residential, Commercial, and Light Commercial sectors. Explore the lab spaces, hear more about the programs from our faculty, and get a 360 view of the program!

HVAC-Reflection questions

- What 3 areas of HVAC can you learn about in the program at Sinclair?
- Name 1 company that supports the HVAC program at Sinclair
- How many tons is the Chiller?

Sinclair Health Sciences <https://tinyurl.com/scc-healthscience>

Audience: Anyone, but highly recommended for the Health Sciences • *Length:* 10 minutes 40 seconds

Check out our Health Sciences Division at Sinclair and see what current students experience every day as a Sinclair Health Science Student. This building tour gives you a 360 view of many of the Sinclair Health Sciences labs, facilities, resources and programs.

Health Sciences-Reflection questions:

- What did you think of the Simulation Lab?
- Did any part of the tour spark your interest in pursuing a certain program in Health Science?

Additional Reflection Questions for All Videos

1. What was your favorite part of the video(s)?
2. What is one thing that surprised you? Has your opinion of Sinclair changed since watching this/these video(s)? How so?
3. What other questions do you have about Sinclair?
